

## Grace Church - COVID Screening Questions

1. Have you travelled outside of Canada in the past 14 days?
2. Have you been in contact with anyone who has tested positive for COVID-19 in the past 14 days?
3. Do you have any of the following symptoms?
  - Fever/chills
  - Cough that is new or getting worse (more than usual)
  - Barking cough, making a whistling noise when breathing
  - Shortness of breath
  - Difficulty breathing
  - Sore throat (not related to seasonal allergies or other known conditions)
  - Difficulty swallowing
  - Decrease or loss of sense of taste or smell
  - Headaches that are unusual or long lasting
  - Unexplained fatigue/malaise/muscle aches (myalgias)
  - Nausea/vomiting, diarrhea, abdominal pain
  - Pink eye (conjunctivitis)
  - Runny nose or nasal congestion without other known cause

**If you answer YES to any of these questions, you may be at risk of having COVID-19 and we would advise you to remain at home.**

**Thank you for your understanding.**

**CAUTION: If you suffer from chronic health issues or have a condition of compromised (weakened) immune system, you are at a higher risk of serious health issues should you contract COVID-19. Coming to a church event would be entirely at your own risk.**
